

Prova 1

- Il Piano Esecutivo di Gestione (PEG)
- Di chi è la competenza ad assumere gli atti di liquidazione
- Procedura di somma urgenza. Quando si attua, come. Descrivere l'iter.

In 1903, when the archaeologist Howard Carter found Hatshepsut's sarcophagus in the Valley of the Kings, it was empty. Had her mummy been stolen or destroyed? The truth only came out a century later when Egyptian scientists positively identified a mummy, discovered more than a century earlier in a minor tomb, as that of Hatshepsut.

Prova 4

- In materia di appalti pubblici, il Responsabile Unico del Procedimento (RUP) quali fasi del procedimento gestisce;
- Al termine dell'opera quali atti deve produrre il Direttore dei lavori e cosa deve fare il RUP
- Il Documento Unico di Programmazione (DUP)

What a disaster! First, the bus broke down on the motorway, so we were all left blocked until help could arrive. Then, my computer froze without any reason while I was working. Finally, I bent the key trying to force it into the door lock and when I tried to straighten the key, it snapped.
